PetroChallenge

October 29th & 30th 2016, 8:30 am – 5:00 pm

On campus location: TBD

Sponsored by the Penn State’s Institute for Natural Gas Engineering and Center for Collaborative Research on Intelligent Natural Gas Supply Systems (CCRINGSS) and brought to you by NExT, a Schlumberger company.

Using NExT’s OilSim simulator, students will experience the entire exploration and production business process.

For more information or to register by 7th October go to http://sites.psu.edu/pennstatepetrochallenge/

Lunch is provided and you will automatically be enrolled in PNG 497 giving you a technical elective credit.

“The interdisciplinary nature of the challenge helped understand areas beyond our own area of specialization and also how to manage teams” - 2015 participant

“PetroChallenge really stressed the both hard and soft skills related to upstream operations, in a very fun manner” - 2015 participant

North America PetroChallenge 2015 Champions from Penn State.
